

Shri Govindprabhu Arts and commerce College, Talodhi (Balapur), Dist. Chandrapur

Session 2020-21

Best Practice- 1

1. Title of the Practice

“Women Empowerment and Gender Sensitization.”

2. Objectives of the Practice

To sensitize students and staff regarding women empowerment and gender sensitization and to aware the girls students of the institution regarding the safety measures to be undertaken for their better life aiming at their holistic development.

3. The Context

There is an alarming rise in violence against women. As citizens of India, it is our primary duty to uphold the values of equality, liberty, justice and fraternity enshrined in our constitution. For this, the college formed Women Study Cell. This cell prepared their annual action plan which has its focus on girl students and female staff, their empowerment, and their curricular, co-curricular, extra-curricular development.

4. The Practice

In order to sensitize students, staff and society the college organized a variety of activities. Programmes held during the 2020-21 are:

- Online Workshop on Sexual Harassment of women in Working Place Prohibition and Redressal Act 2013. (03 Sep. 2020)
- Online Workshop on “World Breastfeeding Week” (01 to 07 August)
- Essay writing competition on the Topic- “Thoughts of Krantijyoti Savitribai Fule on gender Equality.” (03 January 2021)
- Online Quiz contest on Biography and Work of Savitribai Fule.
- International Women’s Day, (8 March 2021)

5. Evidence of Success

Our target behind Women Empowerment and Gender Sensitization was to empower the girl students of the college and sensitize all stakeholders about the

respectful and parallel status of women in the society. The confidence gained by our girls' students through various activities organized by women study cell is a clear evidence of our success and we hope this women empowerment will surely be having long lasting effect in their lives.

6. Problems Encountered and Resources Required

Due to Covid-19 pandemic situation we could not conduct all the planned activities regarding to Women Empowerment and Gender Sensitization programme. To lift up girl students of rural area is a challenging task. Firstly, the women study cell of college sensitized girl students for their personality development by organizing online programmes. By organizing some holistic development activities this committee succeeded in gaining girl students' confidence.

7. Notes (Optional)

The best practice of fostering social responsibility brought our students in close contact with the community. The students became aware of the importance of work culture, labor, the problems and difficulties faced by the villagers. The girls and boys students became aware of the equality between men and women and all the stakeholders are trying their best to serve the villagers in particular and the community in general.

Best Practice 2:

1. Title of the Practice:-

Fostering Social Responsibility as Entrepreneurship of Women

“Online E-workshop on women empowerment, Entrepreneurship workshop on Making Garland and Making Mask.”

2. Objectives of the Practice

- To create awareness regarding social issues.
- To create awareness about Entrepreneurship among girls.
- To install service attitude and confidence among students in their ability to contribute to the well-being of others.
- To contribute for the betterment of Society

3. The Context

The college is located in rural and backward area. People of our area lack in health awareness and women Entrepreneurship. We are aware that the purpose of education is to make students and villagers good citizens. All of our students and staff are fully involved in community service activities organize various programme.

4. The Practice

As Covid -19 outbreak Virtual awareness campaign for fit India freedom and fit India movement as per Government guideline organized in the college. College organized one day e-workshop on Women Empowerment through Entrepreneurship by making Garland and Masks for the college students especially for girl's students. This workshop organized by Women's Study cell of the college. Where resource person guided on women entrepreneurship through how to make Garland and how to make Masks.

5. Evidence of Success

The aim behind this workshop was to sensitize staff and students with respect to community service and Entrepreneurship. The Women Study Cell of

college confirmed its benchmarks regarding the quality and beneficial activities to be conducted for the development and empowerment of girls in the rural area. The students and the staff got awareness about entrepreneurship through making garland and Masks.

6. Problems Encountered and Resources Required

- No awareness about Covid-19
- No proper education, facility and awareness about entrepreneurship.
- No awareness about using Mask and Making Mask in the village people.
- It's required various skill base program to create awareness about entrepreneurship among women.
